FOREWORD

The first complete list of members of the Fraternity of Delta Psi was published in 1876. It was followed by seven others, issued in 1898, 1904, 1912, 1920, 1926, 1936 and 1947.

The Blue Book Committee, appointed by authority of the 109th G. C., consists of the following:

Albert N. Rock, E'17, Chairman; Ormonde de Kay A'22; Eli Kirk Price, III, Δ'26; John Frazer, Jr., Δ'44, A'55; Albert E. Gubelmann, I'97, A'57; William E. Duy, E'50; John A. Mason, E'34, E'52; Gillet Lefferts, Jr., Δ'45; H. Lawrence Whittemore, Λ'07; Francis G. Awalt, Jr., E'52; John G. Carr, E'52; Franklin E. Moak, Φ'48; Peter B. Perkins, Φ'42; Beverley B. Munford, III, Υ'50; William M. Berkley, Jr., Υ'50; George H. Flinn, Jr., Σ'25; Howard C. Davison, Α and Σ'23; John J. Parsons, T'24; and Richard L. Cannaday, T'46.

The committee desires to express its appreciation of the active interest and valuable suggestions and help of Brothers Martin Aigner, III, A'26; William Brewster, Δ'55; Douglas B. Dewing, E'55; Charles W. Forbes, Δ'54, E'54; Tench Frazer, Δ'49, Υ'55; Robert B. O'Connor, E'16, E'43; Stephen F. Wilder, T'48; and William D. Cabell, Υ'32.

The present edition of the Blue Book contains the names of members who were initiated prior to January 1, 1958. Insofar as the information was available, academic degrees and deaths have been recorded in the present volume covering up to February 1, 1958.

For the convenience of members three separate indexes have been prepared: a list of living members alphabetically arranged; a list of living members geographically arranged, and a list of deceased members. In past years the geographic index has proven to be of great assistance in business as well as in social activities. Members who travel can readily locate other Delta Psis throughout the world and thus renew old bonds and establish new ones.

ALBERT N. ROCK
For the Committee
